

# Information of the Vaccine Passport of COVID-19

## ◆ What is the Vaccine Passport of COVID-19?

The Vaccine Passport of COVID-19 is a certificate provided to certain eligible people who have been vaccinated of COVID-19. Vaccine Passport will be required entering foreign countries at immigration. Domestically within Japan, your Certificate of Vaccination for COVID-19 shows your vaccination status. You don't need to apply for the Vaccination Certificate of COVID-19 if you are not travelling overseas.

## ◆ Eligibility

Persons who fulfill all of the following conditions:

- Ebina City resident
- Persons who are fully Vaccinated
- Planning to go abroad to a country or region

## ◆ Cost

Free of charge

## ◆ How to apply

You can apply **at city office** or **by post**. Apply using one of these two methods.

\* The certificate may take 30minutes-1hour after you submit in person at city office. Please bring all the following required documents at Ebina city office at 2<sup>nd</sup> Floor (Health Promotion Division ,COVID-19 Vaccine Intelligence Unit) .

\*The certificate may take days after you submit the application by post. You are required to enclose a self-addressed stamped envelope due to returning to you the certificate by mail.

## ◆ Required documents

- Application form for Vaccination Certificate of COVID-19
- Copy of passport \*make sure the passport number and name are clearly visible and readable.
- Copy of Vaccination certificate or a document which shows your vaccination records.
- Identification including your name and address.
- A stamped return envelop with your name and address. \*only by post
- A power of attorney \*when authorizing a representative to submit the application on your behalf. You can download "Application form for Vaccination Certificate of COVID-19" from the City website <https://www.city.ebina.kanagawa.jp/guide/kenko/1010591/1012375/1013103.html>
